## Public Amenities

## **MISSION STATEMENT**

Promote cultural and entertainment activity in the downtown area by improving existing and preparing for new downtown civic facilities.

## **DEPARTMENT OVERVIEW**

To continue the City's efforts to become a tourist and visitors destination, improvements to existing facilities and planning and preparation for new venues are needed. To provide limited financial resources for this dedicated purpose, revenue from the 1 percent tax increase for the meals and hotel/motel tax is to be reserved. The increased revenue for FY04 is \$4,514,100 generated from the tax adjustment is being used to set up this special revenue reserve to fund needed improvements to public amenities and civic facilities.

## PRIOR YEAR ACCOMPLISHMENTS

Expenditures for the year include a transfer to the Capital Improvement Program (CIP) for Civic Facilities. This is to prepare a site and do research needed in the event the City enteres into negotiations with another major league sports team. Funds were also used for improvements to

Scope and on-going improvements for other facilities. The remaining funds will be used to build reserves for the eventual implementation of a new major public facility.
